

Primary 1S Newsletter (January – April)

Primary 1 have had a busy start to the year. So far in we have been learning about The Seasons, Toys and we have also enjoyed the experience of performing this year's Nativity, A Miracle in Town to a live audience. We have also learned lots of sounds, tricky words and have explored word building. We have actively engaged in our number and maths work. We have learned directional language, coin identification, 2D shape and days of the week.

Team Teaching

On Tuesday afternoons the children have the opportunity to work with different pupils and teachers in Primary 1. During this time we rotate between the 4 classes and focus on a different curricular area in each room.

Miss Ferguson has been introducing the children to French greeting and will be moving onto colours.

Miss Easson has been teaching different aspects of maths and is currently teaching symmetry and moving onto time.

Miss Hutchison has been teaching different strategies for managing a range of emotions and recognising these in others. After this, she'll be moving onto friendships.

Miss Slymand has been focusing on Global Citizenship and the U.N. Rights of the Child. This is following up from the work the children do in Citizenship Gathering with Miss Reid.

Topic

Our new topic is People Who Help Us. We will be looking at all the roles of the different members of our community who help us. If you would be willing to volunteer to come into school and speak to the children about your role, please your child's class teacher know.

Upcoming Dates / Events:

7th February – Shared Learning (more information to follow)
15th/16th February – February Break
27th/28th March – Parent consultations

To share in your child's learning journey please keep in touch by following us on twitter.

Read, Write, Inc update Our Literacy Programme

Our Literacy groupings are split across Primary 1 to give children appropriate support and challenge. These groupings are fluid and are not set. They are subject to change as the children develop at their own pace. Please refer to homework pack for more information.

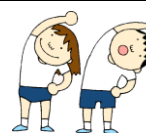

PE days and specialists

We will have class P.E. with P1F on **Wednesday** and **Thursday** afternoons.

On these days, please make sure your child is wearing uniform that is easy to get on and off independently. Please ensure your child has indoor shoes, t-shirt and shorts, all labelled. The children can wear plain white or house colour t-shirts.

Thank you.

On Mondays we have Art with Ms Welsh and on Wednesdays we have music with Mrs McEnroy.

Homework

Homework will now be collected in on a **Thursday** and handed back out on a **Friday**. Please continue to support your child using the new yellow homework grids and Numeracy wall.
